

Stellmann coatings offers a wide range of specialty coatings which can be divided in the following product groups.

Clear Non – Slip Coatings

We are proud to be a leader in transparent non-slip coatings that enhance health and safety standards. Our clear coatings eliminate slips and falls on a wide range of surfaces, including tiles, ceramics, marble, natural stone, vinyl, concrete, epoxies, glass, and metal. They ensure these surfaces are slip-free and compliant with the Australian Standard for slip resistance.

Concrete Floor Coatings

Our water-based, VOC-free concrete floor coatings set the standards in aesthetics, safety and performance. With a wide range of colours, our concrete floor coatings create beautiful spaces while also providing the exceptional slip-resistance. Moreover, our coatings are user friendly as they offer superior rollability and are non-toxic in their composition.

About Us

Stellmann Coatings is Australia's leading supplier of premium quality non-slip and specialty coatings. Our journey began with the successful introduction of Swiss GriP into Australia by Jelmer Stellingwerf and Dano Estermann in 2019.

Prior to introducing Swiss GriP into Australasia, both Jelmer and Dano lived in various countries in Europe and spent most of their professional careers in Switzerland.

Dano has a finance background and has successfully managed companies in hospitality and food. Since moving to Australia, he has specialised in the coatings sector

With over 14 years of experience in business development in the coatings industry, Jelmer combines chemical expertise with advanced technical knowhow.

Durable on any surface

CSIRO-Certified

UV Resistant

Seals and protects the surface, non-etching

Made in Europe

Stellmann Non-Slip Clear PRO

Our durable, clear non-slip coatings are easy to apply and unlike anti-slip treatments, they do not alter or damage the surface. Instead, they create a durable, clear and protective seal on top of the surface. Furthermore, our coatings are CSIRO-certified, providing peace of mind and safety compliance.

Which slip-rating do I need?

Stellmann Non-Slip is unique in providing a wide range of CSIRO-certified slip-ratings. Each rating is the perfect non-slip solution for specific areas. Please use the below guidance to select your slip-rating.

- P3 Easy Clean: Indoor areas like shopping malls, hotel lobbies, food courts, high traffic areas
- P3: Showers, bathrooms, stairs, residential kitchens, laundries, entry areas, etc.
- P4: Outdoor areas like walkways, entry areas, stairs, serving areas behind bars, etc.
- P5: Commercial kitchens, ramps steeper than 1 in 14, loading docs. Only use for these areas.
